BLACK CAT

Bad Luck

Since 3000 BC, many civilizations have believed that the black cat brings bad luck. This situation is the same in Turkey.

FOUR-LEAF CLOVER

Good Luck

In Turkey, it is believed that the four-leaf clover brings luck to the person.

SNEEZE

It's called "live healthy"

People who learned that "sneezing is a defense mechanism against foreign substances", one of the teachings of Hippocrates, who is accepted as the father of medicine, started to say their wishes to each other such as "live healthy" and "live long" over time. This situation is the same in Turkey.

PASS UNDER THE STAIRS

Bad Luck

It is one of the most popular superstitions in the world. Passing under a triangular staircase brings bad luck.

ITCHING OF THE PALM

Money Comes

In Turkey, it is believed that when your palm itches, money will come from anywhere.
